

International bank transfer is time consuming and expensive(Transaction fee is approximately USD70-100)

Starting this year, you can use flywire for international tuition payments. Flywire allows local currency payment options and is also FREE from overseas remittance fee.

Students/ parents make their payment through flywire website, and make payments to flywire in their local currency

After we receive the payments from student/parent flywire will send the money to the school within 24 hours.

Benefits of paying through flywire

1) Multiple payment methods:

You can pay through local currency, to your local bank, credit cards, Ali Pay etc.

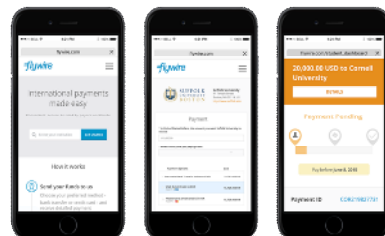

2) We guarantee the lowest forex conversion rate to Japanese yen

3) Receive 365 days/ 24 hour customer support through telephone, email, Skype, Wechat

4) Make payments through your mobile phones
