# Foreign Student Plan

JLIC supports your daily endeavors to make your dreams come true!

Leaving your home country and living in a new culture as a foreign student can make you feel anxious and a bit lost. And you are not alone—your family is missing and worrying about you, so far away, just as much. This is why JLIC provides the **Foreign Student Plan**, an insurance policy specifically suited for students from overseas. This compensation plan enables you and your family to feel secure and at ease about your well being in Japan. We make life in Japan and studying Japanese easier on you! Joining this plan is your first step to achieving your goal.

## What to do at times like these?

### Case 1 You get injured...

#### Treatment Expenses for Accidental Injury

You fall down the station stairs and sprain your foot.

We pay **4,200 yen** for medical expenses.

### Case 4 Your parents come to Japan to help you get better...

#### Rescue Expenses

You are helping friends pack before they return to their home country when you get stuck in the window and seriously injured. You are hospitalised for 1 month and your parents come from China to help you during your convalescence.

We pay **554,017 yen** in rescue expenses in addition to medical expenses.

### Case 2 You catch cold...

#### Treatment Expenses for Illness

You are treated for influenza.

We pay **2,430 yen** for medical expenses.

### Case 5 You are burglarized...

#### Household Possessions Coverage

A thief breaks in and steals your laptop and electronic dictionary.

We pay **100,000 yen** compensation.

### Case 3 You cause injury to someone...

#### Personal Liability Coverage

You accidentally hit someone with your bicycle. The injured person needs 12 days of outpatient treatment. You are billed for the medical expenses, lost income due to temporary disability and consolation money.
